

¡Invitación a participar en la "Competencia Global de Habilidades de Lectura 2024-2025"!

La Universidad Nacional Normal de Taiwán abre la inscripción para la "Competencia Global de Habilidades de Lectura 2024-2025" e invita a todos los interesados a inscribirse.

Descripción:

Con el objetivo de motivar a los estudiantes a aprender chino-mandarín y desarrollar sus habilidades de lectura, el Centro de Investigación de Lengua China y Tecnología de la Universidad Nacional Normal de Taiwán (臺灣師範大學) organiza la "Competencia Global de Habilidades de Lectura 2024-2025" (「Global SmartReading Contest 全球閱讀力大賽」).

Para mejorar las habilidades de lectura en chino-mandarín de los estudiantes, el centro proporcionará una evaluación en línea de lectura en chino-mandarín y recursos de aprendizaje. Además, se entregarán certificados de participación a los concursantes y se otorgarán premios a los mejores.

Información relevante sobre el evento:

- Fecha de inscripción en línea: Desde ahora hasta el 20 de diciembre de 2024.
- Destinatarios: Estudiantes de chino-mandarín de todo el mundo (para regiones de Hong Kong y Macao, por favor, consulte a través de la web del concurso).
- Contenido del evento: Esta competencia se divide en tres etapas de actividades: pre-test, tarea de lectura y post-test. Los estudiantes deben participar en todo el proceso. Después del evento, se proporcionará el archivo electrónico "Certificado de Participación en la Competencia Global de Lectura del Concurso Global SmartReading" a los estudiantes que participaron en las tres etapas y pasaron la revisión del organizador.

El pre-test y post-test se evaluará a través de la “prueba de Evaluación Diagnóstica de la Habilidad de Lectura en Chino DACC-M” (*DACC - M Diagnostic Assessment of Chinese Reading Ability*) que puede identificar la habilidad de lectura de los concursantes y diagnosticar en detalle.

Para la prueba de lectura, los materiales son todos recursos en línea, incluyendo e-books seleccionados y compilados por el equipo de lengua china de la Universidad Nacional Normal de Taiwán. Los estudiantes deberán elegir sus libros y completar evaluaciones post-lectura.

La participación completa da derecho a los concursantes a un informe de rendimiento y un certificado de participación emitido por la Universidad Nacional Normal de Taiwán. Los concursantes destacados serán públicamente reconocidos y recibirán un certificado de mérito bilingüe.

- Costo de inscripción y método: Inscripción gratuita.

2024-2025 第六屆
Global SmartReading Contest
全球閱讀力大賽活動辦法

一、競賽簡介

(一) 緣起

臺師大首創競賽 有效提升中文能力與文化知識

臺師大是全球知名的頂尖大學，培養無數人才。2022 年 QS 最新世界大學各大學學科排名，在教育學科（Education & Training）項目中，臺灣師範大學拿下全球第 26 名。秉持著提升中文閱讀教育的使命，臺灣師範大學教育心理與輔導學系宋曜廷教授團隊，於 2023 年起應用「[SmartReading-Mandarin](#)」系統推出「Global SmartReading Contest 全球閱讀力大賽」。

本競賽承襲 SmartReading 團隊「培育自主學習者」的理念，持續關注如何提升學生的中文閱讀素養。「[SmartReading-Mandarin](#)」系統是針對學中文為第二語言或外語的參賽者所設計的中文適性閱讀平臺，提供參賽者符合當前中文程度的簡體、繁體各類型閱讀素材。

透過本系統能快速診斷學習者的中文閱讀能力，並閱讀適合目前程度的閱讀素材，完整記錄閱讀學習歷程，期盼使參賽者在資訊氾濫的時代精準閱讀，成為自律自主的閱讀新世代。

2024-2025 Global SmartReading Contest Competition Activity Methods

1. Competition Introduction

(1) Origin

National **Taiwan** Normal University is a world-renowned top university that cultivates countless talents. In the latest QS World University Rankings by Subject in 2022, Taiwan Normal University ranks 26th in the world in the Education & Training project . Adhering to the mission of improving Chinese reading education, Professor Song Yaoting's team from the Department of Educational Psychology and Counseling at National Taiwan Normal University will apply the " SmartReading - [Mandarin " system](#) to launch the " Global " in 2023. SmartReading Contest Global Reading Competition".

This competition inherits the SmartReading team's philosophy of “cultivating independent learners” and continues to focus on how to improve students' Chinese reading literacy. The " [SmartReading - Mandarin " system](#) is a Chinese-adaptive reading platform designed for contestants who learn Chinese as a second or foreign language . It provides contestants with simplified and traditional Chinese reading materials that meet their current Chinese proficiency.

Through this system, learners can quickly diagnose their Chinese reading ability, read reading materials suitable for their current level, and completely record their reading learning process. It is expected that contestants will read accurately in an era of overflowing information and become a new generation of self-disciplined readers .
